

POWERING THE FUTURE OF AUTOMOTIVE AFTERMARKET IN ASIA

Making its Singapore debut alongside TyreXpo Asia Singapore 2027, AutoMROtive will bring together automotive aftermarket suppliers, workshop technology providers, distributors, fleet operators, and service professionals from across Asia and beyond.

Building on the success of its inaugural 2026 edition in Bangkok, Thailand, AutoMROtive 2027 is set to foster new partnerships, showcase innovation, and unlock business opportunities across the industry.

6,000
Attendees

90
Countries

20
Content Sessions

Two events. One integrated marketplace.

Together with TyreXpo Asia Singapore 2027, AutoMROtive connects the wider automotive aftermarket ecosystem under one roof, spanning tyres, tyre accessories, garage equipment, workshop health and safety, diagnostic technologies, fleet management, aftermarket solutions, and more.

From predictive maintenance, digital maintenance, to tyre recycling systems, the event provides a focused platform for industry leaders to showcase innovations that are transforming how vehicles are maintained, repaired, and managed.
